

**WATER CLOSET FLUSH VALVE**

**84T101-6**

- All brass piston flush valve
- External and internal dual filtration system
- Chloramine-resistant components
- Two check valves for backflow protection
- Retrofittable models available
- Flow rate options available
- Available 1<sup>st</sup> quarter 2010

**URINAL FLUSH VALVE**

**84T131-38**

- All brass piston flush valve
- External and internal dual filtration system
- Chloramine-resistant components
- Two check valves for backflow protection
- Retrofittable models available
- Flow rate options available
- Available 1<sup>st</sup> quarter 2010

**WATER CLOSET FLUSH VALVE**

**81T201**

- Volume control, field adjustable
- Chloramine-resistant diaphragm
- ADA vandal-resistant non-hold open handle
- Flow rate options available

**URINAL FLUSH VALVE**

**81T231**

- Volume control, field adjustable
- Chloramine-resistant diaphragm
- ADA vandal-resistant non-hold open handle
- Flow rate options available

**METERING WASHDOWN  
URINAL VALVE**

**86T505**

- ADA vandal-resistant handle
- Adjustable close time
- Solid brass construction
